ACT. START	FINISH	BOGEY	TRANSIT
H M	H M 0.0	Min	Min
Stage Time	Start transit	ATC IN	Time to ATC
M S	H M	H M	No time
xxhdpi version			
Select Actual Start time (not Ideal Start)			
Current Time <b>22:43:16</b>			

1. Press the ACT. START button and enter the actual start time
2. Press the FINISH button and enter the finish time (optionally tap on 0.0 to enter seconds)
3. Press the BOGEY button, slide up or down to select the minutes (you can also double tap the screen to enter a value manually). Bogey is also called Lateness or Slow Time on some timecards
4. Press the TRANSIT button, slide up or down to select the minutes of transit

When all the values are entered, the app will automatically calculate the values to fill in the for the timecard and give you the time to checkin at the next time control.
